OUR GUARANTEE

The GFG *Quality Guarantee*

GFG QUALITY
Repair

Refund
GUARANTEE

We stand behind what we make. If your order arrives with a verified manufacturing or workmanship defect that's ours, we make it right.

Your approved sample and order documents set the standard. If GFG verifies that products have a manufacturing or workmanship defect attributable to us and don't meet that standard, we provide an appropriate remedy: **repair** of the affected products, **replacement** of the affected products, or an **appropriate refund**.

1

Tell us

Inspect goods promptly on arrival. Let us know as soon as you can, with your order number, a description, the quantities affected and photos.

2

We review

We look into it with you and may ask for samples, photographs, inspection reports or affected products so we can verify the issue.

3

We make it right

GFG management decides in good faith on the right remedy for the verified issue: repair, replacement, or an appropriate refund.

QUALITY BUILT IN

- **ISO 9001:2015** quality management system and **BSCI** responsible manufacturing.
- Your **approved sample** becomes the production reference.
- Our **QC team inspects** finished goods, using statistical sampling, before they are packed.
- Production lots are inspected using recognized **AQL** sampling standards: critical 0, major 2.5, minor 4.0, unless a different standard is agreed in writing.

THE FINE PRINT

The guarantee covers **verified manufacturing or workmanship defects attributable to GFG**, measured against your approved specifications, sample and order documents. It does not cover misuse, improper storage or handling, unauthorized alterations or repairs, normal wear and tear, events after delivery not caused by our manufacturing, or normal manufacturing variations within agreed tolerances and AQL criteria. Remedies apply to the affected products and are determined by GFG in good faith. Full terms: **gfgbagmanufacturer.com/terms**, Section 14.

> *"Thank you so much for being an amazing partner through this entire manufacturing process."*

OUR PROCESS

From idea *to delivery*

Four clear steps, one team guiding you through each of them.

01 Send your design

START HERE

Email your design or tech pack to info@gfgbagmanufacturer.com, or ask our designers to help create one. Make the details clear and complete. We reply with an estimate that includes your MOQ and price per unit, based on design complexity, quantity and timeline.

02 Make the sample

2–4 WEEKS

Samples usually take 2 to 4 weeks, depending on complexity. Approve it or request revisions. Colors are closely matched in production, when materials are dyed for your order; slight shade variation is normal. In a hurry? Ask about a pre-production sample to shorten your timeline.

03 Production

4–8 WEEKS

Once the sample is approved, documents are signed and the deposit is made, production begins. It typically takes 4 to 8 weeks, depending on complexity and quantity. Our quality control team inspects the finished products, using statistical sampling, before they are packed.

04 Shipping

SEA ≈ 4 WKS · AIR ≈ 1 WK

We ship by sea (about 4 weeks) or by air (about a week, at a significantly higher cost, so best kept for urgent orders). Freight, duties and tariffs are not included unless your quote says so, and we're glad to help you plan.

GOOD TO KNOW

- **Sample cost** is credited toward your production order when stated in your quote.
- **Confidential.** We sign and honor confidentiality agreements.
- **Payment.** A deposit when the order is placed, with the balance due before shipment.
- **Plan early.** Sea freight is the economical choice for handbags.

HOW TO ORDER

Ordering from *this catalog*

Every design here is a starting point. Make it yours in five simple steps.

1 **Choose your item number**
Every design has an item number, like TBAG001. Note it with the quantity you need.

2 **Add your logo**
Send your logo artwork and tell us where you'd like it. We'll recommend the best way to apply it for your material.

3 **Choose colors, materials & hardware**
Every bag can be remade in your colors. The materials listed are starting points; ask about alternatives and hardware finishes.

4 **Check the MOQ**
The minimum order quantity on each card is per color. Most products run 100 to 1,000 pieces; your quote confirms the final MOQ.

5 **Request your quote**
Call (865) 770-3722 or email info@gfgbagmanufacturer.com. We'll reply with an estimate covering MOQ and price per unit.

15–30%
Potential savings from customizing your own products instead of relying on existing retail brands
